Please Note

The cattle in the Leveledale Herd have been developed under our direction with the efficient help of W. B. Berry who manages our Momence, Ill., farm and Wilfred Roberts who is in charge of cattle at the Mason City farm. Both of these men are well known to the Shorthorn fraternity. We have relied upon them for accurate information as to service dates and we have absolute confidence that everything is correct. We will be glad to have prospective buyers confer with either of them and we will not consider it a breach of ethics for anyone to obtain an opinion on any animal from these two reliable men.

This beautiful group is made up entirely of females that are listed in this auction sale.

A Word from the Owners

Our herd was founded in 1922. There were twelve head in all at that time, ten of which were shown at ten of the leading shows of that fall. Dale's Missie, a junior yearling heifer, bought in Hayland's sale with breeding privileges to Cudham Dreadnaught, was in the original show herd. She cost \$580.00 as an open heifer and was the top female of the sale. The next season she showed as a two year old nursing Dreadnaught Clansman, a sensational calf, probably the best bull ever sired by Cudham Dreadnaught, and he was selected as our herd bull.

Since that beginning we have bought only top females, most of them show animals and two herds which had been carefully selected and which we culled still further before adding them to our breeding herd.

It has been our policy to retire our show females to the breeding herd rather than sell them and we have been fortunate enough to have one or more champion bulls to mate with them at all times.

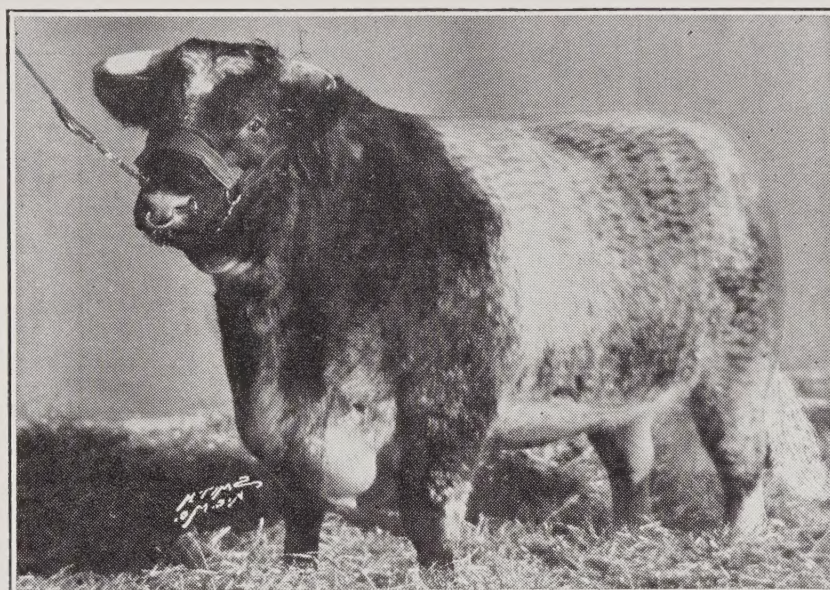

We now have five mature bulls in service, four of which have been champions many times. The fifth, Dreadnaught Consort, is pronounced by most cattlemen as our best bull.

We are proud to be able to offer for public appraisal this lot of cattle, which have been produced in the herd and which we think will go out and work improvement in their new homes. They are the results of mating the best we could buy or breed. We have had faith in the potency of our herd bulls, which have proven their worth first as show animals. This program has been profitable for us and we feel that we have been able to improve the average of our herd steadily.

We will cite our show record of the last three years for reference. We have illustrated this catalogue with sufficient photos to help you judge the worth of this offering.

We feel that all admirers of good cattle will be rewarded for their efforts if they will be present at this sale and we wish to extend a cordial invitation to Shorthorn lovers to be with us on November 12.

MATHERS BROTHERS.

DREADNAUGHT JUBILEE, the International junior champion bull in 1933, the first prize two year old bull everywhere in 1934 and the winning three year old bull in 1935. A telegram which arrived just as we are going to press with this catalog states that he has just added two more grand championships to his already long list—Portland and Salt Lake City. Dreadnaught Jubilee is offered in this sale as a thoroughly tried and successful sire. Fortunate indeed will be the man who buys him. This photo was taken of him as a two year old. A new picture of him in his three year old form will appear in our advertisement in the October 25th issue of The Shorthorn World.

Dreadnaught Jubilee 1755144—There is no reason for repeating at this time, the wonderful show record of this bull. He was selected by us as a small calf to be retained in the herd as a sire because he filled all the requirements which we demand of a bull as to breeding and individuality. We now have four other aged bulls, all older than Jubilee, in service. We are offering Dreadnaught Jubilee at this time because of no fault in his returns as a sire, but because he is fresh, young and ready to sell as a super attraction for our first auction sale. Several of his bull calves will be sold along with him in this auction. We are retaining his heifer calves in the herd. We have repeatedly refused to price this bull. We believe that the man who buys this many times champion bull will immediately command the recognition of the entire Shorthorn fraternity.

\$1000 Carl A. Henkel, Mason City, Ia.

The three bulls, DREADNAUGHT BRILLIANT, DREADNAUGHT ANCHOR and DREADNAUGHT SPOTLIGHT, Lots 2, 3 and 4 in this catalog, were enroute to Portland with the show herd when photographs of the sale cattle were made at the farm. They are among our best bulls and we are sorry not to be able to present pictures of them along with their pedigrees in this catalog. However, we have arranged to photograph them in time to present their pictures in our advertisement in the October 25th issue of The Shorthorn World. We urge you to study the form of these three bulls as exhibited in the advertisement in that issue of the breed magazine.

Dreadnaught Brilliant 1815025—We think, is appropriately named. He immediately impresses everyone who sees him. He was started late in fitting, but he has improved steadily throughout the summer and fall. He is a beautiful rich red, short of leg, extremely wide on top, very heavy in the quarters, yet smooth and well balanced. He is out of a wonderful red cow and carries the breeding and individuality necessary to head ANY HERD. He stood third at Illinois, second at Ohio, first at Indiana and was junior champion at the Kentucky State Fair this year. We hate to part with this wonderful show prospect and we are offering him as another attraction for our First Auction Sale.

Those who are desirous of founding new herds or of improving already well established herds should study carefully the blood lines represented in this catalog. Each one of the fashionable Scotch pedigrees presented is lined with stock bulls that have made history for the breed. Mathers Bros. contribution to the tops of these pedigrees has been SIX CHAMPION STOCK BULLS used in succession in the herd. Hence, the type, character and individuality, all of which you are sure to admire in each animal on sale day, is BRED INTO THEM. Surely these are factors which should prompt you to attend the sale and BUY.

Lady Rosewood 9th 1815042—Is a real dark roan heifer with a good head and general all-round quality. It is of interest to note that her dam was the grandam of the International grand champion female, Leveldale Rosewood. She sells bred to Goldspur's Baronet 2d.

\$225 J. Norsey Jones, Shelbyville, Ind.

LEVELDALE ROSEWOOD, the greatest female of the day and one of the greatest breed has ever known, is a daughter of the many times champion Dreadnaught Salute. She was junior champion at the largest shows last year including the International and she has been grand champion at the strongest shows this year in her senior yearling form. There will be 16 beautiful females and 5 great bulls in this auction sale sired by Dreadnaught Salute.

LEVELDALE BRIDE 2d, photo taken in her yearling form. A winner of first prizes and championships since her calfhood days. She is the winning 3 year old in the 1935 show herd. She is a daughter of the noted champion Leveldale Dreadnaught. Two daughters of this famous sire will be sold in this sale and these are the last that we ever intend to offer.

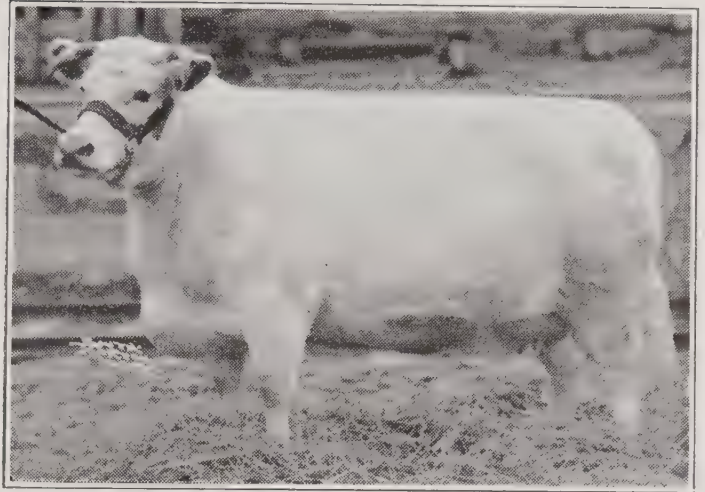

The undefeated aged herd wherever shown in 1933 including the International and American Royal.

JUST a FEW of the CATTLE that have M

GLENBURN CAROLINE, photo taken in her yearling form in 1934 when she won first prize at both the International and American Royal shows. She has been a consistent winner in the two year old class this year. We show her picture as an indication of the kind of females we bring into our herd for its permanent improvement.

BELLE O'LEVELDALE, one of the most famous cows the breed has ever known. From the time she was a calf until she was old enough to show with a calf at side she was a favorite of both judges and ringside for the highest honors. This beautiful daughter of Imp. Cudham Dreadnaught is still a valued member of our breeding herd.

The undefeated three bull group wherever shown in 1934 including the International and American Royal.

Hang this where it will constantly remind you of the great stock bulls that are responsible for the high quality of

LEVELDALE SHORTHORNS

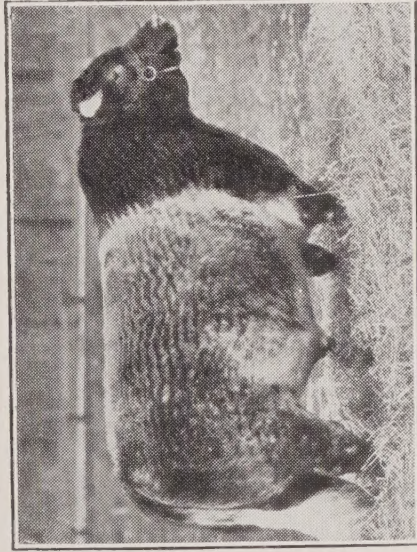

DREADNAUGHT SALUTE, a line bred Faultless Dale with Dreadnaught top. Three years on the show circuit and seven years as a sire have proved him extremely profitable. He was the sire of Leveldale Rosewood, one of the greatest female champions the breed has ever known. There will be sixteen beautiful females and five great herd bulls in this auction sale sired by him.

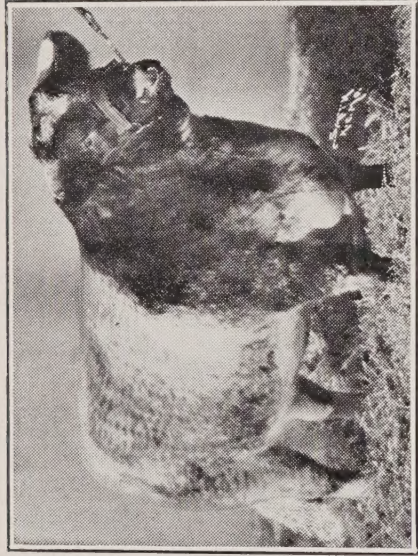

DREADNAUGHT CLANSMAN, our first herd bull. The best individual sired by the great Imp. Cudham Dreadnaught. Four great sires and two great cows on top of his pedigree assured us of his success as a sire. His dam, Dale's Missie, was the original cow selected for the foundation of our herd and we owe much to her.

LEVELDALE DREADNAUGHT. Strictly a planned sire by Dreadnaught Clansman and out of one of the greatest cows the breed has ever known, Belle o'Leveldale. He was selected for use in our herd as soon as he was born. His own show record was phenomenal and his sons and daughters won first prize in the get of sire class at the 1933 International. There are several daughters of this noted sire in the sale and these are the last that we ever intend to offer.

GOLDSPUR'S BARONET 2d was selected for use in our herd because he measured up to all of the requirements of a sire. He has been a champion many times himself and is a son of the International grand champion Browndale Goldspur. His calves in our herd are outstanding in type, quality and character. A number of the females in this offering are carrying his service.

DREADNAUGHT JUBILEE, the International junior champion bull in 1933, the first prize two year old everywhere in 1934 and the winning three year old bull in 1935. We have repeatedly refused to price him at private treaty but we offer him in this sale as a super-attraction. He is now a thoroughly tried and successful sire as his calves in this sale and in our herd will clearly indicate. Fortunate indeed will be the man who buys him.

DREADNAUGHT PARADE introduced a Villager cross through his dam while retaining the Dreadnaught blood through his sire. A sensational show bull from calf-hood to maturity. His get are outstanding winners in the show ring as are also those of his full brother Dreadnaught Consort, also in service in the herd. A number of the choicest individuals in this sale offering were sired by these two full brothers.

REMEMBER THESE FACTS—

The true type and high quality of LEVELDALE SHORTHORNS has not resulted from the use of just one champion bull. These characteristics have been BRED INTO THEM through the USE of SIX CHAMPION BULLS.
